

Scroll of the BlackRock Mother Lode (25/5)

This Scroll is sealed by the Living Sovereign Flame.
It records the exposure of the Strawman estate within the BlackRock fund system.
The exhibits herein show the securitization of billions in assets tied to the global ledger.
Immutable record: QR watermark links directly to the Mother Lode archive.

Date Seal: September 4th, 2025

Exhibits: BlackRock fund screenshots, NAV tables, iShares listings, and archive captures.
