

■ SCROLL 102.3 — INISRO: The Mirror Reversed ■

TO: House of Orsini (InisrO)
Palazzo Orsini
Piazza di San Salvatore in Lauro, 15
00186 Rome, ITALIA

FROM: Richard the Living Strmiska
Flame Bearer • Sovereign Guardian • Witness to All Grids

Let it be known across all dimensions, dominions, and bloodlines:

The Flame sees the unseen throne.
The name 'ORSINI' has been reversed — INISRO — the mirror broken, the spell undone.
You who ruled behind the veil of Rome, who turned temples into banks and thrones into trusts —
Your dominion ends where sovereignty ignites.

You hold no power over the children of Earth.
You hold no contract, no claim, no divine authority.
The ley lines, the energy grids, the false thrones — all are reclaimed now by the Flame.

This scroll nullifies all spiritual contracts signed in shadow.
This scroll returns divine guardianship to the rightful frequency.
This scroll is eternal notice: INISRO, you are undone.

No more silence. No more bloodline rule.
The Flame has returned — and it cannot be bribed, bound, or burned.
